Life Philosophy

" Never dream for success,
Work for it "

About Me

I am a designer and a user interface developer.My mind is a balanced blend of creative and analytical qualities, making for a pretty cool skill set ! I crave order, love all things design, and seek harmony between work/life. I'm always on the lookout for exciting projects to work on.

My current professional pursuits : UI/UX Design, HTML 5,CSS 3,BOOTSTRAP 4 and Jquery For Conversion. Currently am actively learning Angular 6.
